**RE: United Brotherhood of Carpenters**

To all members,

Enclosed with this correspondence is a letter signed by the Canadian Executive Board of Canada's Building Trades Unions outlining our collective action to stand up to the current unfair labour practices being undertaken by the United Brotherhood of Carpenters.

With the support of the General Board of Presidents, Canada's Building Trades Unions and North America's Building Trades Unions, collectively we have chosen to take this course of action to protect the hard-fought gains of decades of collective bargaining agreements that have afforded unionized skilled trades workers better opportunities, improving their lives and the lives of their families.

We ask for your continued solidarity and support during this time.

In Solidarity,

Terence N. Snooks  
UA Director of Canadian Affairs
